

FANTASTIC FORCES

ELEMENTS IN ACTION

WATER, THE INVISIBLE FORCE

THURSDAY, FEB. 19

4:30 - 6:30 p.m.

Panel Discussion: 5 - 6 p.m.

Fluoride is invisible—but the decisions behind it aren't. Join a discussion on how **science**, **public trust**, and **policy** come together in one of the most everyday public health choices we rarely think about.

BARC 2200

Free Event / Open to the Public

CHICK-FIL-A FOOD AND GIVEAWAYS

Panelists

Dr. Jun Kim, Assistant Professor, Civil and Environmental Engineering - Florida Polytechnic University

Brad Dantzler, Former Mayor City of Winter Haven, Florida

Dr. Johnny Johnson, President, American Fluoridation Society

CHALLENGE COIN COLLECTORS SERIES!

At this OPPE event, you'll score the exclusive **Water Challenge Coin**. Collect all four elemental coins—Earth, Fire, Water, and Air—from the 2025–2026 OPPE series and you'll earn a **free Florida Poly t-shirt** as your reward.
