Management Background/Career Highlights:

- Brian Philpot is the CEO and Principal Owner of AgAmerica Lending, with headquarters located in Lakeland, FL. His background includes extensive experience in real estate investing, agriculture lending, real estate law, market analysis, and negotiation. Philpot began his career as an attorney but quickly discovered it was not a fit. He transitioned to be an active real estate investor and eventually to a full-time investment portfolio manager. He founded AgAmerica Lending, which has become one of the largest agricultural mortgage REITs in the United States, more than 10 years ago. The company focuses solely on agricultural real estate financing.
- AgAmerica Lending is an agricultural land lender based in Central Florida, offering lines of credit, land purchase loans, and refinancing. AgAmerica underwrites and services loans from \$100,000 to \$100 million. Clients range "from smaller blueberry farms to vast cattle ranches." Their average loan is \$2 million and most fall in the \$1 million to \$25 million range.
- Brian is a sixth generation Floridian with personal ownership in Florida farmland and timberland. He lives in Lakeland with his wife, Brandie, and their two children.

Boards and Professional Affiliations

- Former Chairman of Lakeland's Economic Development Council
- Board member of the Polk County Land Use Planning Commission
- Youth travel baseball coach

Florida Poly Connection:

- Brian was a part of the Florida Poly Vision in 2013 and 2014, and a PIVOT 2015 Ambassador. Based on board meeting minutes from 2015, Brian was considered for a board position at that time.
